The Youth Sponsorship Program

It's hard to move, especially when you're young. We understand! To make the transition easier for you and your teens, get connected with the Youth Sponsorship Program, a part of the McChord Youth Center.

Fill out the information at the bottom of the page, send it back to us, and we will connect your child with a sponsor and send more information about life at McChord.

Have any other questions? Feel free to contact the McChord Youth Center.
